ABOUT OUR SPEAKER

Frank is president and founder of Advanced Information Systems, Inc. (AIS), a Las Vegas-based information technology (IT) firm celebrating over 20 years in business. Prior to founding AIS, he held key leadership and management positions with other successful IT firms.

In addition to supporting AIS involvement in community service programs, Frank serves on the University of Las Vegas (UNLV) Howard R. Hughes College of Engineering Advisory Council and is the chair of the UNLV Computer Science Department Advisory Board. He also donates his time to the Nevada Partnership for Homeless Youth as well as the Goshen Coalition.

Frank was awarded **Entrepreneur of the Year** by the TBAN organization for 2008. In 2007 he and his brother were awarded the **Power Brothers Influence Award** for Nevada, by Las Vegas' In Business Magazine. Frank has lived here in Las Vegas for 14 years, after relocating his company, AIS, to Las Vegas in 1995.

ABOUT OUR SPONSOR

Sparkplug is a leading wireless service provider with carrier-grade networks across seven states. Our wireless networks serve business, carrier, government and education customers with high capacity broadband and voice solutions.
