Mike Legg  
Petroglyph Games

Founded in 2003, Petroglyph is an award-winning, independent game development studio located in Las Vegas, Nevada. With over 90 people on staff, the company is composed of industry veterans with a studio-wide average of over ten years in game development. The Petroglyph team specializes in online, Action-Strategy and Real-Time Strategy titles, leveraging the experience gained from developing original hit franchises for PC and consoles. Petroglyph uses their proprietary *GLYPHX* Online game engine, tools and technology to power their next-generation titles. Currently announced projects in development include Mytheon, Panzer General: Allied Assault, and WW4 MMORTS (codename).
