PHASE 1

- 42,372 sf ground floor, 5,672 sf mezzanine
- Skate rental with a pro-shop and skate sharpening
- Raised bleachers for easy observation
- Climate-controlled lobby, three birthday party/meeting rooms and vending area
- 2nd story mezzanine for socializing and easy bleacher access

PHASE 2

- 38,338 sf ground floor, 3,748 sf mezzanine

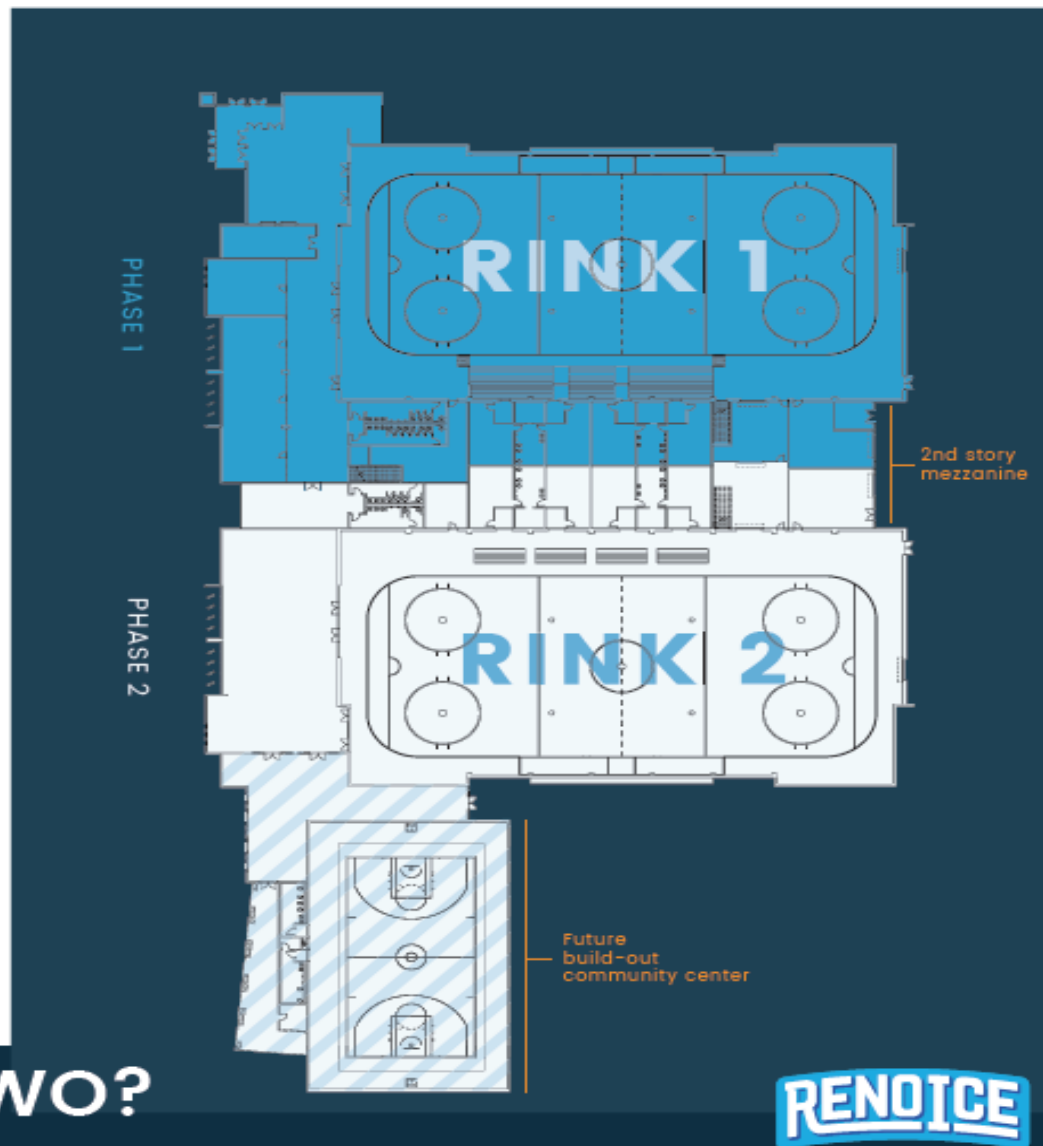

POTENTIAL COMMUNITY CENTER

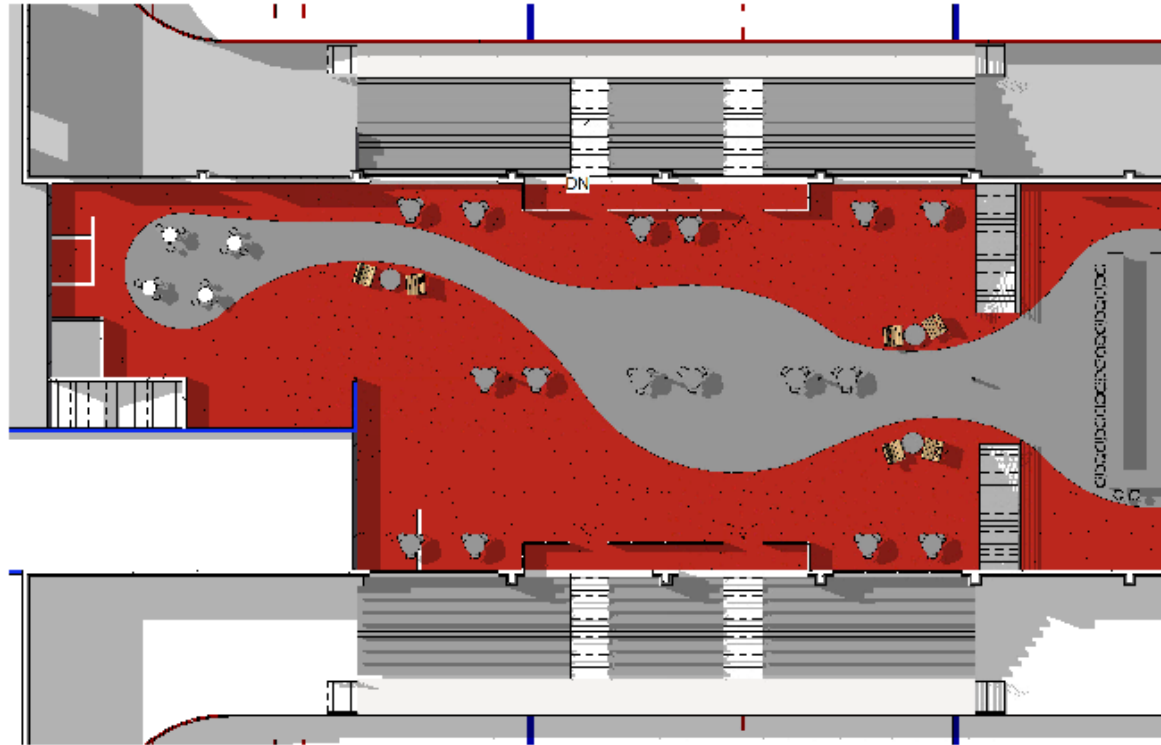

- 13,971 sf

WHY

PHASE TWO?

Simply put, adding an additional rink will provide more ice access for more kids. Multidisciplinary programming can happen simultaneously, and two rinks improves opportunities for hosting tournaments. Having two rinks spreads fixed costs across a larger consumer base and improves revenues.

RENOICE

A photograph of a dark blue building facade with the word "RENOICE" in large, white, 3D block letters. The sky is bright blue with scattered white clouds. In the background, a cityscape and mountains are visible under a clear sky.

What does

NEED?

- **We need introductions...**
 - **Foundations that qualify**
 - **Wealthy Individuals**
 - **Family Offices**
- **We need you.**
 - **Your Connections in the community.**
 - **Your COMMITMENT to see this through for the kids of this community.**
- **We need \$\$\$\$.**

The BOARD is well versed in the presentation, so we are not looking for you to present the opportunity, just the introduction to the groups & Individuals

Thank you to our TEAM:
